### **Program Duration:**

8–26 July, 2024

### **Estimated Program Cost: (Including Tuition, accommodation and Meal Plan)**

**International Cultural Experience: 2901 GBP= 25819 RMB**

**All other Summer Courses: 3552 GBP= 31613 RMB**

### **Set course or course options offered in the Program:**

#### **1: Environment and Sustainability:**

Estimated Program Cost: **3552 GBP**

Program outcome: You will embark on a journey into our natural environment exploring a broad range of topics. Through a mixture of interactive lectures, practical laboratory sessions and field excursions, this course is perfectly designed to build your knowledge of our natural environment, and the human impacts on it – with a focus on innovations in sustainability.

Additional activities and Field Trip plans:

Field trips for Environment and Sustainability students may include local site visits for environmental fieldwork, such as Upland Farm or local wind turbine energy sites.

Other field trips may include visits to local businesses and organisations, and a 2-day stay in London. Optional weekend day trips include locations such as Manchester, Liverpool, the Lake District, York etc.

Method of Assessment:

30%: Group project

10%: Group presentation on your environmental project

60%: Individual reflective essay (2,000 words plus figures, tables, references and appendices) submitted post programme

## **2: Film**

Estimated Program Cost: **3552 GBP**

Program Outcome: Develop an understanding of the formal and technical composition of films and the wider conventions of cinema. You will learn to analyse films, develop short scripts, work with cameras and edit. Please see the course description attached for details.

Additional activities and Field Trip plans: Field trips include visits to local businesses and organisations, and a multi-day stay in London. Optional weekend day trips include locations such as Manchester, Liverpool, the Lake District, York, countryside locations.

Method of Assessment:

40% Group film project

20% Group presentation

40% Individual essay

## **3: International Cultural Experience**

Estimated Program Cost: **2901 GBP**

Program Outcome:

- Develop students' understanding of the community around them, as well as fostering understanding of some of the current issues and potential difficulties facing different communities in Britain.
- Provide opportunities for students to engage with the community through activities related to business, culture, social issues and political matters.
- Promote experiential learning and to help students develop an interest in continued engagement with their communities.

Additional activities and Field Trip plans:

Field trips include visits to local businesses and organisations, and a 2-day stay in London. Optional weekend day trips include locations such as Manchester,

Method of Assessment:

Exact methods of assessments are TBC – the summer school will be assessed through various methods such as written assignment (essay), presentation/poster presentations or reflective journals and students will earn 10 LU credits.

#### **4: Global Media**

Estimated Program Cost: **3552 GBP**

Program Outcome:

- work in groups to successfully design and realise an original and critical social media activism project according to specific criteria and fixed deadlines
- combine critical theoretical thinking with practical tasks, and reflect on the links between theories and creative practices
- outline broad theoretical and practical understanding of global media cultures
- demonstrate skills to think critically about their own interactions with media texts
- interrogate the differences and similarities between ‘old’

Additional activities and Field Trip plans: Field trips include visits to local businesses and organisations, and a 2-day stay in London. Optional weekend day trips include locations such as Manchester, Liverpool, the Lake District, York etc.

Method of Assessment:

Project 10%

Presentation 30%

Reflective report 60%

#### **Accommodation Type (with Wi-Fi or not):**

1. German A1
2. German A2
3. German B1
4. German B2

### **Program Theme:**

International and European Studies  
Austrian Arbitration Academy  
German Language Courses

### **Program Outcome:**

The Sommerhochschule's mission is to provide first class academic courses on European Law, Politics, Economics, History, and Culture in an international and intercultural setting.

We seek to enhance the understanding of the characteristic diversity of Europe and the dependence of Europe's prosperity on the successful development of this diversity. The international background of the participants fosters the sensibility for similarities and differences – a skill that will be crucial for leadership in the future.

### **Additional activities and Field Trip plans:**

The campus area is large enough for almost any sport imaginable, such as frisbee, badminton, soccer, etc. It is also possible to play table tennis. Indoor facilities for volleyball, basketball, soccer, and other sports are available in the local sports hall. The campus offers also windsurfing facilities, and our sports trainers offer volleyball and windsurfing courses throughout the duration of the summer program. The students' boathouse is not only available for sports activities, but also to relax, sunbathe and for meeting up with other students. On the weekends mountain hikes and

excursions to St. Wolfgang, Salzburg and Ebensee are offered for students. In the course of the four-week program students also have the opportunity to attend a dance course, a chamber concert and a Midsummer Night's ball. All spare time activities on campus are free of charge.

**Accommodation Type (with Wi-Fi or not):**

The standard of the houses on campus can be compared to \*\*\*hotels. Students are accommodated in comfortable single or double rooms with private bathrooms. All rooms are equipped with a desk. Sheets, towels, and hairdryers will be provided. Wireless internet access is available for free on campus.

**Meal Type:**

All meals are served in the dining hall. The breakfast buffet normally consists of a wide variety of bread, jams and other spreads, honey, eggs, cheese, bacon, ham, cereals, and muesli. Coffee, tea, milk and orange juice are available during breakfast. Brunch is served on weekends. Lunch and dinner meals include a variety of Austrian dishes. Vegetarian and vegan dishes are also available. Please note that the Sommerhochschule cannot guarantee that all dietary needs students may have can be met., but the host institution was always very forthcoming.
